

Habitloom

Habit coaching that sticks — a voice coach in your pocket.

Loved by 1.4M users.

Seed round — August 2026

Problem

92% of New Year resolutions are abandoned by February. Habit apps rely on streaks and guilt; people churn within weeks.

Product

A 3-minute daily voice check-in with an AI coach that adapts the plan to the user's week. iOS and Android.

Free tier; Habitloom Plus at \$6.99 / month.

Traction

Metric	Value
Users (app downloads since launch, cumulative)	1.4M
Monthly active users (Jul 2026)	86,000
MRR (Jul 2026)	\$7,800
MRR growth, Jun → Jul 2026	38% month over month
Day-30 retention	41%

Growth

Organic: 70% of installs from app-store search and TikTok creators. Paid pilots with two employer wellness programs starting Q4 2026.

Market

Global wellness apps market: \$120B by 2030.

Team

Priya Nandakumar, CEO — 6 years product lead in consumer health apps.

Tomasz Wieczorek, CTO — 9 years mobile engineering; built voice features used by millions.

Team of 9.

Financials & round

Cash: \$0.9M (Jul 2026). Net burn: \$85k / month.

Raising a \$3M seed round, priced equity, at a \$12M pre-money valuation.
